

Otto Dix Museum and House

Connection through art and culture

"The former residence of the [Dix family](#) is now owned by the Kunstmuseum Stuttgart.

It allows insights into the environment and the center of life of the entire Dix family. Otto Dix was born in 1891 in Gera and developed in the 1920s into one of the most important representatives of the New Objectivity. Until 1969 Otto Dix lived and worked in Gaienhofen, where he increasingly turned to the Lake Constance landscape. Combine your stay at Marbach Castle with art and culture on Lake Constance."
